You're invited to attend a gala event to help promote, protect and preserve our hunting heritage. Proceeds will fund local, state and national pro-hunting governmental affairs, conservation, education, and public relations campaigns. The Adirondack-Catskill Chapter's humanitarian programs sponsor hunts for wounded veterans and young hunters with disabilities. Our educational programs for youth promote hunting, gun safety, leadership skills and participation in conservation efforts. Attend this event to show your support for hunting in New York and the United States of America.
