***Did you know that more Americans hunt and shoot than play golf?***

### **Voting Power of SCI Members and Other Hunters**

- 73% of Americans approve of hunting. Only 10% think hunting should be illegal.
- Hunters are among the most influential of all voting groups.
- State governments that invest in access, habitat-improvements and programs in support of hunting and angling, receive more in return via tax revenue, jobs, tourism, and other economic benefits.

# About Safari Club International

## The Safari Club International mission statement:

- Provide value to members by shaping policies and legislation that protect the freedom to hunt locally, nationally and internationally.
- Keep members informed regarding issues that impact hunting while educating and entertaining members with engaging articles about the rich heritage of hunting in all forms of media.
- Provide a community for hunters worldwide where camaraderie is enjoyed and expert information is exchanged, and where members are able to participate in a market for quality hunting goods and services.
- Promote a positive image of hunters and portraying them as responsible citizens who fund wildlife conservation, education and other programs which benefit the community.

## Safari Club International major programs are:

- Government Affairs
- SCI-PAC (Political Action Committee)
- Hunters' Rights Advocacy
- Conservation Projects Worldwide
- American Wilderness Leadership School, a week-long seminar for students and educators regarding hunting and conservation

Each chapter returns 30% of the proceeds from their annual fundraisers to SCI. The remaining 70% stays with the Chapter to fund local educational, conservation and humanitarian projects.

## Adirondack - Catskill Chapter Membership

### Why should I consider a membership in Safari Club International?

Hunters know that the right and freedom to hunt is under attack, and you want to protect that freedom. SCI is one of the most powerful pro-hunting and pro-conservation organizations in the world. SCI works tirelessly on behalf of hunters. Members stay involved with state legislative and regulatory issues; with federal plans that affect management, conservation and hunting access on public lands; as well as with national legislative issues. There is strength in numbers. SCI could not make such significant changes without supporters such as you - united in the same fight. There is an array of benefits that you will receive as a member of Safari Club International, including the bi-monthly, full-color SAFARI Magazine. Members also are invited to attend the annual SCI Convention - The Ultimate Hunter's Market. Associated sponsors offer additional benefits and discounts on everything from travel insurance to hunting gear.

### By joining a Safari Club International Chapter...

- You connect to a local network of like-minded individuals who share the common goal of protecting the freedom to hunt and promoting wildlife conservation locally and worldwide.
- You work to make a difference by getting involved in education, conservation and humanitarian projects.
- You give back to your community because funds raised by your chapter stay at the local level.
- You strengthen SCI projects and legislation while also protecting our hunting heritage.

### **MEMBERSHIPS:**

**Adirondack - Catskill Chapter  
Education Sables Committee**  
*Supporting the Conservation and Education Goals of the  
Safari Club International Foundation*

**SCI Education Sables Mission Statement:**

*To further the understanding of our outdoor heritage, including the positive role of hunting, through the creation and support of wildlife and conservation educational programs that are consistent with the educational mission and purposes of SCI and SCI Foundation.*

**Sables Education Programs** are changing, but the mission remains these same. SCI Foundation and the Sables are committed to developing new programs that build upon the tradition of excellence established by the American Wilderness Leadership School. These programs will:

- Educate about the North American Model of Wildlife Conservation
- The importance of hunting as a socially and culturally acceptable activity in society.

The goal is to reach educators, wildlife professionals, federal/state elected officials and others across the country thru:

- **Customized Education Programs** for chapters, *"Sables Education on the Move"*
- **Programs for Policy Makers.** Reaching our federal and state legislators and their staff.
- **Influencers and Ambassadors Program.** Using the platforms and experiences of social media sources to build social acceptance of hunting among young people.
- **University Programs.** Facilitate the next generation of wildlife enterprise professionals to attend the SCI Convention that they may experience and network with others that are in wildlife conservation and enterprise fields.

**Get to know your Adirondack-Catskill Education Sables**, be part of

- Sponsoring local Envirothon Teams as well as area school archery and sport shooting programs.
- Sponsoring the Adirondack-Catskill Chapter Young Hunter Award Winner's expenses to attend the Wildlife Leadership Academy in Pennsylvania.
- Participating in fund raising events and Chapter support activities.
- Promoting distribution of Hands-On-Wildlife Box to schools and non-profit organizations serving youth.
- Volunteer to work at local Youth Days. Whether it's helping with educational games to promote the connection between wildlife conservation and our hunting heritage or assisting on the range. Get involved!

Support the conservation and education goals of the  
Safari Club International Foundation by becoming a Sables member or making a donation.

# **RULES FOR GAMES AND RAFFLES**

## **TABLE RAFFLES: BIG BORE, PREDATOR, SABLES, WHITETAIL AND YOUNG HUNTER**

Place any of the following raffle tickets in the table bucket of your choice: Advance purchased ticket Pack #1 (Red) and Pack #2 (Green) or Special Table Raffle Ticket Pack purchased at banquet (White) or raffle tickets earned by returning your Bingo Cards after the Bingo game ends (Pink).

## **BINGO GAME, NO LOSERS!**

Buy 1 Bingo Card for \$20, 3 Cards for \$50, or 10 Cards for \$100. Prize is either the gun or \$599. This is a Bingo Game but one in which you DO NOT want the number that is being called to appear on your card. If the number called is on your card, you turn in that card for \$20 worth of tickets (2) for entry in the Table Raffles and you are no longer in the game. But as long as the numbers being called DO NOT appear on your card, you are still in the game. The last person with no called number on their card is the Bingo Winner!!

## **CHAPTER GUN OF THE YEAR RAFFLE**

Tickets are \$50 each and only 100 tickets will be sold for this raffle. If all 100 tickets are sold, the drawing will be during the fundraiser. Otherwise, drawing will be at the next Chapter meeting after tickets are sold out.

## **50/50 RAFFLE**

Tickets are \$5 each; 3 for \$10; 10 for \$20. Tickets on sale at 1pm and are sold until the drawing in late afternoon.

## **MYSTERY GUN RAFFLE**

Tickets sell 3 for \$20 or an arm's length of tickets for \$30. Drawing for the gun is at the end of the evening.

## **SPIRITS OF THE HUNT**

Basket with a selection of wines, liquors, and distilled beverages. Tickets sell 3 for \$20, or an arm's length of tickets for \$30. Drawing is in the evening.

## **UN-STICK THE PIG RAFFLE**

The game starts with a pig target 'stuck' with 100 knives. To play the game, it's \$25 per knife pull to 'un-stick' the pig. You get one entry or ticket in the drawing for a gun per knife pull and you get to keep the knife. Drawing for the gun prize occurs when all 100 knives are pulled from the pig.

## **YOUTH SAFARI WISH RAFFLE**

Proceeds from this game go towards funding the ACSCI Youth Safari Wish program. Each ticket sells for \$20 with a maximum of 100 tickets being sold. Drawing for the gun occurs when all tickets are sold or at the end of the evening.

## **WALL OF GUNS**

Cards begin selling at 1pm with decks being sold throughout the day. Each card in a deck of cards will sell for \$25. You get half a card with the other half going in the bucket. Drawing for a gun occurs when all cards in that deck are sold. If your half-card matches the one drawn, you get to choose one gun from the Wall of Guns. Then the next deck of cards will begin selling to start a new game. If all cards in a deck are not sold, half of the proceeds collected for that part of the deck will be awarded in cash and the game ends.

## ***Guns available as Prizes on the Table Raffles***

*Enter Table Raffles using the raffle tickets pre-purchased with your reservation - Pack #1 (Red) or Pack #2 (Green). You can also obtain table raffle tickets at the Cashier's table.*

## Adirondack - Catskill Chapter of SCI SCI Youth Day Program

The Adirondack-Catskill Chapter of SCI has helped facilitate Youth Days through the dedication of the Chapter's Sable Committee members and the opportunity to partner with various Rod & Gun Clubs. The partnership is essential as Rod & Gun Clubs have the facilities for hosting a Youth Day - a lodge with kitchen for cooking and serving lunch, shooting ranges (indoor & outdoor), pond for fishing, and club members willing to volunteer their time to work with the youth. The Rockdale Rod and Gun Club has been a longtime supporter of SCI Youth Days under the guidance of Ron Meek. Rockdale members provide a positive and safe environment for youth to learn about firearm safety, try archery and fishing for the first time, participate in raffles with prizes for the youth, and a free lunch for all in attendance. The day's activities stress the ethics of hunting and conservation, firearm safety, experiencing new activities and the comradery and fun of being in the outdoors.

### SCI Youth Day at Rockdale Rod & Gun Club – February 17, 2024 by Ron Meek *24 Years of Making a Difference!*

This year on Youth Day we decided to include YOUTH TRAP! This past year Sables and Adirondack-Catskill SCI sponsored 13 Scholastic Trap Teams and we saw the results as members of these teams shot 750 Clays on the range at Rockdale Rod & Gun Club. Included in this year's Trap activity were a number of new kids that were guided by Certified Range Officers provided by the Gun Club. Three examples of the pleasure all of us receive from sponsoring Youth Day activities: The Grandfather who had brought his son 20 years ago and said he enjoyed it just as much this year! The Mom, Dad and Sons from three counties away that came because there is NOTHING like it where they live! And best of all ... Mom, Dad and 5 Daughters that LIVED on the XBow and BB gun ranges ALL DAY!

All in all a great day as always and we look forward to next year! MAKING A DIFFERENCE!

All banquet attendees are entitled to participate in the live auction and bid on items. Attendees are issued a bidder number card in their Check-in Packet (issued when you arrive.) Please have your number card ready and use it when bidding on items. Announcements made at the time of auction take precedence over pre-auction written material. During the live auction, attendees must limit their conversations and direct their attention to the Auctioneer and presentation of auction items.

## TERMS OF SALE

1. The auctioneer has the final authority on the amount paid for any item and the identity of the purchaser of any item.

**DISPUTED BID:** If after the auctioneer declares any item “sold”, a contest arises between bidders as to who was the successful bidder, the auctioneer reserves the right to reopen the bidding on the contested item.

2. The purchaser must sign a buyer’s contract for each item purchased at the time of the sale. Immediately after a successful bid, one of our staff will arrive at your table for this purpose.
3. **ALL SALES MUST BE PAID FOR BY THE END OF THE EVENING. NO EXCEPTIONS.**

Proof of payment will be required before any items may be claimed or removed from the banquet hall. When payment is made, a paid receipt will be issued. All sales are final.

4. **PAYMENT METHODS ACCEPTED: CASH, CHECK, or CREDIT CARD + 3% MERCHANT FEE.**

(Merchant fee applied to credit card purchases.)

**ALL SALES ARE FINAL, NO EXCHANGES OR REFUNDS ON ANY ITEM. WE CANNOT GUARANTEE THE SATISFACTION OF THE DONOR OR THE BUYER.**

5. By making a purchase, the purchaser waives any claim for liability against ACSCI or the donor of any property or service, and neither ACSCI nor the donor is responsible for any personal injuries or damages to property that may result from the utilization of any property or services sold. If any action or claim is made against ACSCI by an individual, entity, or state, local, federal, foreign or political body for any matter whatsoever arising from the use of the auctioned items, or any actions or parties conducting business with respect to the auctioned items, the donor and/or purchaser will pay ACSCI attorney fees and costs and will hold ACSCI harmless from any judgments thereon.
6. The purchaser is responsible for contacting the outfitter to identify as the winning bidder of the hunt or trip, and to clarify the details regarding the donation. No back-to-back combination of hunt donations is allowed. Consider adding days and/or animals, or bring an additional hunter at the regular price. Please remember to thank the outfitter for their support of the Adirondack-Catskill Chapter of SCI.
7. ACSCI has exercised reasonable care and prudence in the selection of auction and raffle items, but cannot accept liability for their use or misuse, and makes no warranty as to their suitability, safety or function either expressed or implied. ACSCI cannot be held responsible for typographical errors.
8. If you will be traveling out of the state or country for your hunt, it is your responsibility to learn the rules, regulations and laws of any State or Country where you will be traveling to/from. This includes but is not limited to visas, passports, trophy importation, firearms, medical requirements, and legal restraints to entering/leaving a country. ACSCI is not responsible for any problems you may encounter during your travels. No refund of your purchase will be considered based on your lack of due diligence when planning your trip.
