

SCI Youth Day at Rockdale Rod & Gun Club – February 17, 2024 by Ron Meek
24 Years of Making a Difference!

This year on Youth Day we decided to include YOUTH TRAP! This past year Sables and Adirondack-Catskill SCI sponsored 13 Scholastic Trap Teams and we saw the results as members of these teams shot 750 Clays on the range at Rockdale Rod & Gun Club. Included in this year's Trap activity were a number of new kids that were guided by Certified Range Officers provided by the Gun Club. Three examples of the pleasure all of us receive from sponsoring Youth Day activities: The Grandfather who had brought his son 20 years ago and said he enjoyed it just as much this year! The Mom, Dad and Sons from three counties away that came because there is NOTHING like it where they live! And best of all ... Mom, Dad and 5 Daughters that LIVED on the XBow and BB gun ranges ALL DAY!

All in all a great day as always and we look forward to next year! MAKING A DIFFERENCE!
