# **RULES FOR GAMES AND RAFFLES**

## **TABLE RAFFLES: BIG BORE, PREDATOR, SABLES, WHITETAIL AND YOUNG HUNTER**

Place any of the following raffle tickets in the table bucket of your choice: Advance purchased ticket Pack #1 (Red) and Pack #2 (Green) or Special Table Raffle Ticket Pack purchased at banquet (White) or raffle tickets earned by returning your Bingo Cards after the Bingo game ends (Pink).

## **BINGO GAME, NO LOSERS!**

Buy 1 Bingo Card for \$20, 3 Cards for \$50, or 10 Cards for \$100. Prize is either the gun or \$599. This is a Bingo Game but one in which you DO NOT want the number that is being called to appear on your card. If the number called is on your card, you turn in that card for \$20 worth of tickets (2) for entry in the Table Raffles and you are no longer in the game. But as long as the numbers being called DO NOT appear on your card, you are still in the game. The last person with no called number on their card is the Bingo Winner!!

## **CHAPTER GUN OF THE YEAR RAFFLE**

Tickets are \$50 each and only 100 tickets will be sold for this raffle. If all 100 tickets are sold, the drawing will be during the fundraiser. Otherwise, drawing is at the next Chapter meeting after tickets are sold out.

## **50/50 RAFFLE**

Tickets are \$5 each; 3 for \$10; 10 for \$20. Tickets on sale at 1pm and are sold until the drawing in late afternoon.

## **MYSTERY GUN RAFFLE**

Tickets sell 3 for \$20 or an arm's length of tickets for \$30. Drawing for the gun is at the end of the evening.

## **SPIRITS OF THE HUNT**

Basket with a selection of wines, liquors, and distilled beverages. Tickets sell 3 for \$20, or an arm's length of tickets for \$30. Drawing is in the evening.

## **UN-STICK THE PIG RAFFLE**

The game starts with a pig target 'stuck' with 100 knives. To play the game, it's \$25 per knife pull to 'un-stick' the pig. You get one entry or ticket in the drawing for a gun per knife pull and you get to keep the knife. Drawing for the gun prize occurs when all 100 knives are pulled from the pig.

## **WALL OF GUNS**

Cards begin selling at 1pm with decks being sold throughout the day. Each card in a deck of cards will sell for \$25. You get half a card with the other half going in the bucket. Drawing for a gun occurs when all cards in that deck are sold. If your half-card matches the one drawn, you get to choose one gun from the Wall of Guns. Then the next deck of cards will begin selling to start a new game. If all cards in a deck are not sold, half of the proceeds collected for that part of the deck will be awarded in cash and the game ends.

## **RACK YOUR BRAIN**

Visit the Game location for more information about how to play '*Rack Your Brain*'.

## Adirondack - Catskill Chapter SCI Youth Day Program

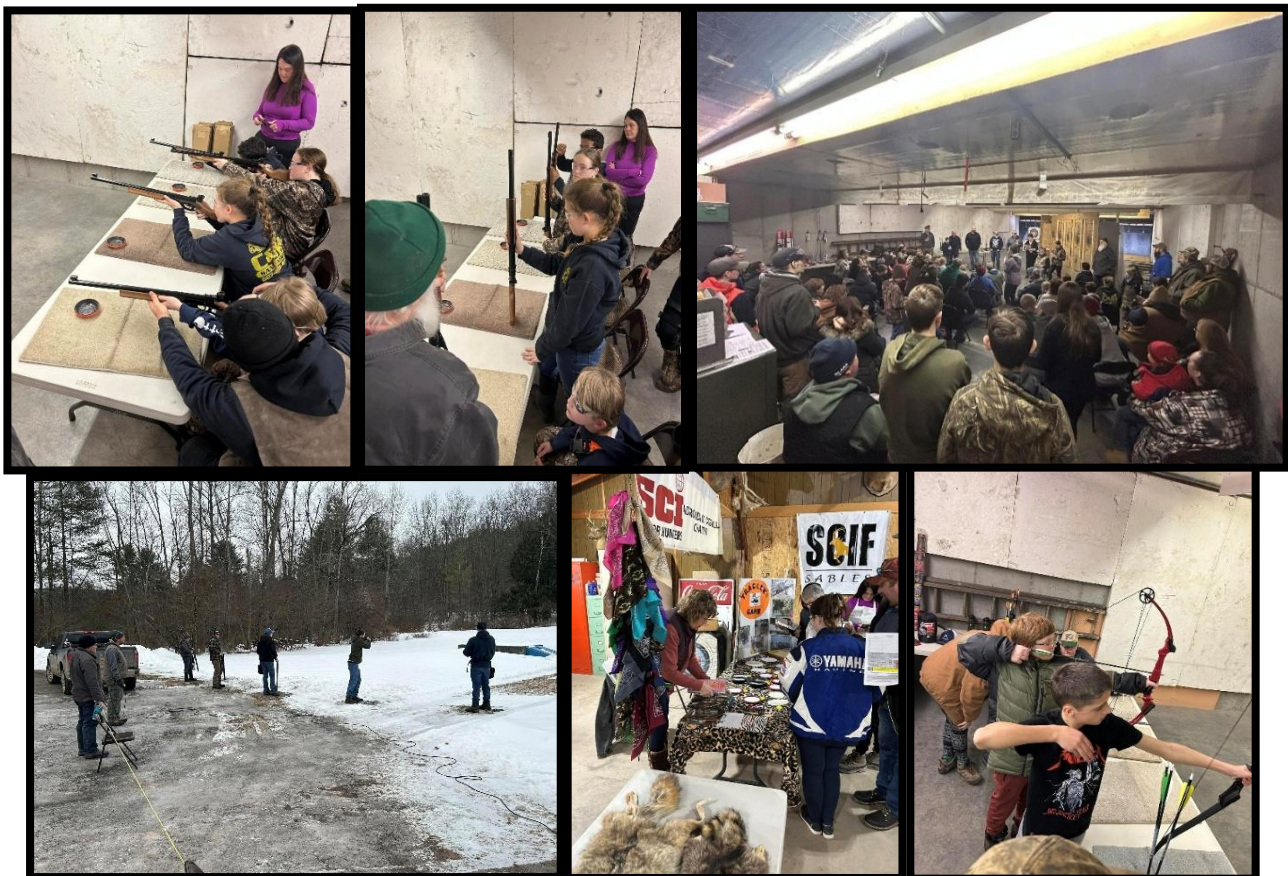

The Adirondack-Catskill Chapter of SCI has helped facilitate Youth Days through the dedication of the Chapter's Sable Committee members and the opportunity to partner with various Rod & Gun Clubs. The partnership is essential as Rod & Gun Clubs have the facilities for hosting a Youth Day - a lodge with kitchen for cooking and serving lunch, shooting ranges (indoor & outdoor), pond for fishing, and club members willing to volunteer their time to work with the youth. The Rockdale Rod and Gun Club has been a longtime supporter of SCI Youth Days under the guidance of Ron Meek. Rockdale members provide a positive and safe environment for youth to learn about firearm safety, try archery and fishing for the first time, participate in raffles with prizes for the youth, and a free lunch for all in attendance. The day's activities stress the ethics of hunting and conservation, firearm safety, experiencing new activities and the comradery and fun of being in the outdoors.

### SCI/SABLES Youth Day at Rockdale Rod & Gun Club – February 15, 2025 by Ron Meek 25<sup>th</sup> Anniversary Event

It finally occurred to me "What makes this event SO SUCCESSFUL"? I arrived at the Club at 6:30am with my granddaughter and started the wood stove and furnace. At 7am, the rest of the Club Crew started showing up and it was just like a Hive of Bees ... EVERYBODY just did a job with no one having to tell them what to do. Robin and Larry arrived to set up the Sables display and the kitchen crew started chili and hot chocolate! At 9am, we were ready for a GREAT DAY!

Great day it was with 65 kids and their crew participating! We now have Trap Shooting along with the rest of our regular events and all went safely! The photos from the day show how GOOD the kids are! We expect Total Attention and for the most part receive it! The Volunteers do a Good Job working with the kids and it shows! Looking forward to the 26<sup>th</sup> Youth Day Event next year ... Try One!

**2 Hunters for 1-Day Snow Goose Hunt**

This hunt is based in Mound City, Missouri home of the Loess National Wildlife Refuge. The conservation season allows for unlimited snows and blues every day. Extended Mag shotguns are allowed and encouraged. Over 1,000,000 snow geese can be at this location at one time with some of the largest numbers reaching 4,000,000. This makes lots of action for the hunters. Owner-operator and outfitter, Andy Christman, has private land leases nearby. Electronic calls are used as well as 1000+/- decoys. The birds come off the water to feed in the fields daily. Bird Dogs, mainly American Labs, do the retrieving. Processing of the birds is available for a small fee charged per bird. Accommodations for your own retriever can be arranged if you want to bring it along.

**Includes:** 1 day lodging with 3 meals. **Not included:** Hunting license, federal waterfowl stamp.

Hunt can be upgraded to additional days and lodging, or use of a pit blind for more comfort. Shotguns can be rented and ammo purchased from the outfitter. Additional hunters are welcome at current prices. Contact outfitter for details. Discounts applied for a group of 10 hunters. This hunt can be taken mid-Feb to mid-March 2026. **We thank Andy Christman for this 100% donation.**
