Rules for Games and Raffles

MUG RAFFLE

Buy an ACSCI Mug for $30. Each mug contains Table Raffle Tickets ranging in value from $40 up to $70. No mug contains LESS than $40 worth of Raffle Tickets (4 tickets). Use the tickets for entry in any of the five Table Raffles: Big Bore, Predator, Sables, WhiteTail and Youth Table Raffles. Raffle tickets are drawn for a table until all the prizes on the table are selected.

50/50 RAFFLE

Tickets are $5 each; 3 for $10; 10 for $20. Tickets on sale at 12noon and are sold until the drawing in the evening.

WALL OF GUNS

Cards begin selling at 12noon and decks are sold throughout the day. Each card in a deck of cards will sell for $20. You get half a card, the other half goes into the pot for drawing on that deck. As soon as all cards in a deck are sold, a half-card is drawn from the pot. If your half-card matches the one drawn, you get to choose one gun from the Wall of Guns. Then the next deck of cards will start selling. If all cards in a deck are not sold, half of the proceeds for that part of the deck will be awarded in cash and the game ends.

HI-LO CARD GAME (*New Game for 2017)*

To start a game, player pays $20 to obtain one ticket for entry in the raffle for a Remington 700 CDL 30-06 rifle and a card draw from the deck. Drawn card is displayed to player and dealer. Before the dealer draws the next card from the deck, the player states whether the 2nd card will be *higher* or *lower* than the 1st card. If player is wrong, game ends. But if player is correct, then player is issued another ticket for the gun raffle. The player can continue to play the 'higher or lower' card process with the dealer to win more raffle tickets until the wrong choice is made on a card draw. Ace is high card; any tie on a card draw goes to the dealer – remember it's called the Hi-Lo Card Game! 1st prize from the raffle drawing is the gun and 2nd prize is $200 worth of Table Raffle tickets (20).

BINGO GAME, NO LOSERS!

Buy 1 Bingo Card for $20, 4 Cards for $50, or 10 Cards for $100. Prize is either the Browning X-Bolt Composite 30-06 Rifle or $599. This is a Bingo Game but one in which you DO NOT want the number that is being called. If the number called is on your card, you turn in that card for $20 worth of tickets (2) for entry in the Table Raffles and you are no longer in the game. But as long as the numbers being called are NOT on your card, you are still in the game. THE LAST PERSON WITH NO CALLED NUMBER ON THEIR CARD IS THE BINGO WINNER!!

WINE CABINET RAFFLE

The Wine Cabinet is from Kelsey's Collection and comes with 15 bottles of wine. Each card in deck will sell for $20. You get half of the card, the other half goes into the pot. Drawing occurs when all cards in deck are sold.

MYSTERY GUN RAFFLE

Tickets sell 3 for $20 or an ARM LENGTH of tickets for $30. Drawing for the gun is at the end of the evening.

SCI 2017 RIFLE OF THE YEAR RAFFLE

$50 per ticket; only 100 tickets will be sold for this raffle. Drawing is held as soon as all 100 tickets are sold. Prize: Montana X2 Camo Dipped / .300 Win Mag Rifle with custom SCI logo engraving, new MRC Synthetic Stock, adjustable old style m70 trigger and MRC Model 1999 action. 1 Hunter for 5 day Duck/Grouse Combo Hunt

KapRiver has donated a 5-day duck/grouse combo hunt for one hunter, hosted at their lodge in Kapuskasing, Ontario. Duck hunting is in large wild rice bays on the famous Kapriver, 1st staging area for birds coming off James Bay. Numerous lakes and rivers in this part of Northern Ontario also have plenty of wild rice, which attracts and holds large numbers of blacks and mallards plus other species such as widgeon, teal, pintail and woodies. There are also plenty of divers: ring-bill, lesser scaup, golden eye, etc. We also hunt local grain fields. The Kapuskasing area with its mixed forests of pine, birch and aspen are perfect cover for ruffed grouse as well as sharp tail and spruce grouse. Grouse hunts are conducted over pointing dogs. Hunt can be taken in 2017 or 2018. **Includes**: Lodging, meals, guides with retrievers and pointing dogs. **Not Included**: Hunting licenses. Groups up to 10 welcome and the winning bidder is encouraged to bring additional hunters and his own dog whether it is a flushing or pointing dog. Expect 7 to 10 flushes an hour on average. The cost per additional hunter is $1750 and non-hunter at $900. **This is a 100% donation.**
