

# ACSCI HUNTS FOR WOUNDED VETERANS

The Adirondack-Catskill Chapter of Safari Club International has a program called Hunts for Wounded Veterans. The program is for American veterans with combat-related injury or illness who cannot hunt on their own, or do not have opportunities to hunt and fish. With support from donors, we are able to provide eligible veterans with hunting, fishing or other outdoor opportunities. We appreciate the sacrifices veterans have made to protect and provide freedom, and we wish to give back. To participate in our program, please begin the process by providing the following information.
